

AGILEX SPORT TREK EGS

August 2025 Release Notes

AGILEX EGS

Your login credentials for EGS is the same as the Agilex Portal. League Administrators, Rink Attendants and Timekeepers login with the Admin option

Team officials such as coaches and team managers login using the Team official option with their Hockey ID and Personal Code assigned by the Portal

The image shows a screenshot of the Agilex Sport Trek authentication interface. At the top, there is a banner with the text "Agilex SPORT TREK" in a stylized font, accompanied by images of hockey players. Below the banner is a white box titled "Authentication". Inside this box, there is a "League:" dropdown menu with "AGILEX" selected. Below that are two input fields: "Your username" with a placeholder "User ID" and a person icon, and "Your password" with a placeholder "Password" and a key icon. At the bottom of the form, there is a "Logon as" section with two radio buttons: "Admin" (which is selected) and "Team Official". To the right of these buttons is a red "Login" button. At the very bottom of the form, there is a copyright notice: "Copyright © C2J Agilex 2003-2024".

This EGS release will upload game roster updates and game stats updates automatically when the save/exit button is clicked.

EGS CONT'D

**When Internet is
unavailable**

When user clicks save/exit button and a message pops up indicating the server is not available. This is normally due to issue with the internet. When this occurs, a red dot would appear beside either the team roster, or game stats or both. This shows that the game roster or game stats for the game are yet to be uploaded to the server. Just wait until the internet is available again, then go into either game roster or game stats page, click save/exit one more time. All data that needs to be save to the server will be uploaded automatically.
